Burlington in Sacramento, CA to Host Community Safety Day

Local retailer offers child fingerprinting, car seat inspections and more

SACRAMENTO, CA, June 2, 2015– According to the U.S. Department of Transportation's [National Highway Traffic Safety Administration](#), three out of four car seats are not used correctly, needlessly exposing children to an increased risk of critical injury.

Since navigating the world of child safety and the wealth of resources available can be confusing and overwhelming, Burlington, which offers the best selection at the best price of the most mom- trusted brands at Baby Depot, is hosting a free community safety day in Sacramento, CA on Saturday, June 20th.

In partnership with the Sacramento Sheriff's Department and the California Highway Patrol (CHP), the free event will include car seat safety checks, child fingerprinting and additional resources for interested parents. This is sure to be a fun and educational event for both parents and kids in the community. In addition, there will be a fire engine on site, a coloring station for kids, refreshments and an appearance by McGruff the Crime Dog!
