

July 2017

**New Transportation Management System (TMS) URL link**

Dear Burlington Vendor:

Burlington is upgrading our Transportation Management System on August 4<sup>th</sup> 2017. At this time, the URL to access the TMS portal will upgrade and change from <http://tpe.logistics.com> to <https://tpe.logistics.com>. Please make note of this change and inform all warehouses that currently utilize the system for their routing needs. All functionality and process within the system will remain unchanged.

If there are any questions or concerns about the upgrade, please reach out to [tms.support@burlingtonstores.com](mailto:tms.support@burlingtonstores.com) or 609-387-7800 x 73350.

Sincerely,

**Burlington Stores Transportation Management Support Team**
