Pre-ticketing

Vendors are responsible to review their purchase order to verify if pre-ticketing is required. If the PO is marked incorrectly for pre-ticketing, please reach out to your buyer to have the order updated. It is the vendor’s responsibility to ensure that changes are made to the PO accordingly. Chargebacks will be issued for non-compliance with pre-ticketing.

Tickets and standard shipping are available at no cost to the vendor through FineLine Technologies Inc, our 3rd party ticketing provider. In the event that additional or expedited tickets are needed due to a vendor error, they may be reordered at the vendor’s expense by contacting FineLine directly. Burlington Stores only accepts tickets made by FineLine.

We require that vendors attach tickets to their merchandise prior to shipment. Non-compliance of these pre-ticketing requirements will result in chargebacks.

After the purchase order has been approved, ticket information will be transmitted to FineLine, and vendors will be notified via email when their tickets are available for order. It is important for vendors to check for any PO changes prior to ordering tickets. Once ordered, tickets will ship within 48 hours.

To order FineLine tickets, please log into https://www.finelineglobal.com/FastTrak. If you do not have a login, please contact 1-800-500-8687 with your Burlington vendor and ISA numbers.
